

Dysgu am fywyd

Arweiniad bras ar faterion byd-eang a
datblygu cynaliadwy mewn modiwlau
israddedig 2006-07

Learning for life

A rough guide to global issues and
sustainable development in
undergraduate modules 2006-07

Nodyn am y llyfryn hwn

Canllaw yw'r llyfryn hwn i'r hyn sydd ar gael yn y Brifysgol o ran dysgu am faterion byd-eang a datblygiad cynaliadwy. Mae hefyd yn rhoi gwybodaeth am beth mae PCB yn ei wneud i weithio yn fwy cynaliadwy.

Mae modiwlau yn agored i'r cyfyngiadau adrannol arferol ar gyfer cyrsiau penodol. Argymhellir felly eich bod yn edrych yn llawlyfr eich cwrs ac yn holi'ch tiwtor i weld pa rai o'r modiwlau hyn sydd ar gael i chi.

* Modiwl Cymraeg

Cyhoeddwyd gan: y Canolfan Addysg Byd, PCB, gyda grantiau gan yr Adran Datblygu Rhyngwladol (DFID) a'r Cynllun *Addysg ar gyfer Datblygu Cynaliadwy a Dinasyddiaeth Fyd-eang*, y Llywodraeth Cynulliad Cymru

About this booklet

This booklet is a guide to what is currently available in the University in terms of learning about global issues and sustainable development. It also gives information about what UWB is doing to work more sustainably.

Modules are subject to the usual departmental restrictions for certain courses. It is recommended therefore that you check with your course handbook and tutor to see which of these modules is available to you.

* Module available through the medium of Welsh

Produced by: The World Education Centre, UWB, with the aid of a grant from the Department for International Development (DFID) *Development Awareness Fund* and a Welsh Assembly Government *Education for Sustainable Development and Global Citizenship* award.

Llywodraeth Cynulliad Cymru
Welsh Assembly Government

Addysg yw'r arf mwyaf effeithiol sydd gan gymdeithas ar gyfer wynebu sialensiau'r dyfodol

Education is the most effective means that society possesses for confronting the challenges of the future

BLWYDDYN 1 YEAR 1

GWYDDONIAETH A PHEIRIANNEG SCIENCE AND ENGINEERING

Amaethyddiaeth a Choedwigaeth Agriculture and Forestry			
Modiwl Module	Teitl Title	Geiriau Allweddol Key words	Credydau Credits
DXX-1001	Natural resource economics	social science of economics and its application to Earth's natural resources; economic techniques of land use appraisal; general overview of the subject for those from other schools within UWB	10
DXX-1304	Global environmental issues	think and form views about the social and scientific implications of each issue; People, food and the environment, Genetically modified organisms, Global deforestation, Pollution, Climate change, Environmental Law; understand the principles governing environmental issues from a global perspective	10
DXX-1301	Environmental management	positive contribution of land management to achievement of environmental objectives; biodiversity conservation; biodiversity conservation; conflicts arising from recreational use; Co-operative skills; formulate general aesthetic principles	10

Gwyddorau Biolegol Biological Sciences			
Modiwl Module	Teitl Title	Geiriau Allweddol Key words	Credydau Credits
BSX-1011	Evolutionary Biology	historical perspectives of biodiversity; evolutionary forces ; natural populations and communities	10
BSX-1006	Physiological Ecology	effects of global climate change on plant performance and productivity; the use of microbes by man for biological control and effluent treatment.	10
BSC-1012	Pynciau Llosg y Gwyddorau	multi-disciplinary module; contemporary scientific debates; past, present and future; people and environmental change; validity of different points of view.	10

Cemeg Chemistry			
Modiwl Module	Teitl Title	Geiriau Allweddol Key words	Credydau Credits
FXX-1005	Chem. in Biol. and Environ.	Chemistry in the Environment; changes caused by chemical pollution.interaction of pharmaceuticals, agrochemicals and similarly bio-active compounds, both natural and synthetic, with living organisms;important environmental issues (for instance, global warming, eutrophication and nuclear waste). how chemistry can be used to solve environmental problems.	10

Gwyddorau Eigion Ocean Sciences			
Modiwl Module	Teitl Title	Geiriau Allweddol Key words	Credydau Credits
OXE-1003	Earth History and Evolution	biological evolution; environment and climate changes on a geological time scale and how this contributes to the debate on environmental issues and future climate change;	10
OXE-1001	Earth & Atmospheric Processes	physical processes occurring within our planet Earth and its atmosphere, paradigms	10
OXF-1002	Environmental Contamination	contamination, our coastal environment; legislative framework; evidence for and legal aspects for controlling global warming	10

Y CELFYDDYDAU A GWYDDORAU CYMDEITHAS ARTS AND SOCIAL SCIENCES

		Saesneg	English	
Modiwl Module	Teitl Title	Geiriau Allweddol Key words		Credydau Credits
QXB-1002:	Intro to American Lit & Cult 2	ways in which America re-defined itself during the twentieth century as a leading industrial and cultural power. Tensions between modern life and traditional values, diversity of peoples and unity of ideology, are analysed in representations of metropolitan life, consumerism, a new business mentality and attitudes towards the assimilation of black cultural forms. individualism in the age of mass communication will be discussed.		20
QXB-1001	Intro to American Lit & Cult 1	ideas of freedom, independence and democratic community that became part of the ideology of the new republic; contemporary America and as a hope for the future; Frontier, the treatment of native Americans, slavery, Civil War questioning of American cult.values		20

		Ieithyddiaeth	Linguistics and English Language	
Modiwl Module	Teitl Title	Geiriau Allweddol Key words		Credydau Credits
QXL-1106	Language and the World	Introduces firstly the idea that natural languages can be classified into groups depending on structural and other properties, whilst still having properties in common. The second half investigates relationship between language and real world e.g. language and gender, power, identity, and issues arising in a multilingual society		20
QCL-1017	Iaith a Chymdeithas yng Ngymru	Yn y modiwl hwn, rhoddir cyflwyniad i brif feysydd cymdeithaseg iaith yn y cyd-destun Cymreig. Beth yw y berthynas rhwng iaith a chymdeithas		20

Hanes History			
Modiwl Module	Teitl Title	Geiriau Allweddol Key words	Credydau Credits
HXC-1006	Cymru yn y Byd Modern Wales in the modern world		20
HXH-1003	War and Media	social, psychological and political impact of war, 20thC	20
HXH-1006:	Contemporary Political Issues	key political issues shaping the modern world; political stability, the Third World, collapse of the Soviet Union, nationalism, environmental movements and globalisation	20

Cerddoriaeth Music			
Modiwl Module	Teitl Title	Geiriau Allweddol Key words	Credydau Credits
WXC/WX M-1006	Diwylliannau Cerddorol Byd Eang*	diwylliannau cerddorol byd eang a daeth traddodiadau gwledydd fel yr Affrig, America Ladin, Dwyrain Ewrob music, world, part played by music in its cultural context	10
WXM-1999	Music Cultures of the World		10
WXM-1006	Music Cultures of the World	music cultures of the world; traddodiadau gwledydd fel yr Affrig, America Ladin, Dwyrain Ewrob	20

Ieithoedd Modern Modern Languages			
Modiwl Module	Teitl Title	Geiriau Allweddol Key words	Credydau Credits
LXE1100	Modern European Culture	The aim of the course is to highlight key stages in the development of modern Europe and to provide students with an understanding of the correlation between history and ideas and of the interrelation between the various national cultures of Europe.	10

Astudiaethau Rhanbarthol a Chymunedol Regional & Community Studies			
Modiwl Module	Teitl Title	Geiriau Allweddol Key words	Credydau Credits
ACR/ASR*	Gwaith maes De Cymru S. Wales community field trip	Astudiaeth cymuned. Community study, integrated study	10
ACR/ASR-1408*	Deall cymuned Understanding Community	Astudiaeth aml-ddisgyblaethol o'r cysyniad o gymuned; ddealltwriaeth o'r berthynas rhwng amgylchedd, economi, cymdeithas a diwylliant yn y cyfnod presennol. Relationship between environment and community society, culture and community; Principles and values of community development. Field work based study of communities in south Wales.	20

Astudiaethau Rhanbarthol a Chymunedol Regional & Community Studies

Modiwl Module	Teitl Title	Geiriau Allweddol Key words	Credydau Credits
ASR-1405	Introduction to Sociology	Theory of major contemporary empirical studies related to gender, class, racism and ethnicity; major contemporary empirical studies;	10
ACR/ASR-1403*	Profiad gwaith Work Experien.		10
ACR/ASR-1402*	Sgiliau cyfathrebu am Ddatblygad Cymuned Communication skills and methods for Community development	Dealltwriaeth o gyfraniad cyfathrebu i ddatblygu cymunedol. role of communication in community development, with specific reference to participative practice	10
ACR/ASR-1410*	Sgiliau craidd gweithiwr Core Worker skills	datblygu agweddau a sgiliau perthnasol i ddatblygu cymunedol; gwerthoedd, agweddau a sgiliau sy'n berthnasol i ymarfer gwaith cymuned; prosiect cymunedol. confidence and skills for community development; critically consider values, attitudes and ideas pertaining to community development practice; reflect on the experience of participation.	10
ASR/ACR-1035*	Ewrop ai Rhanbarthau Europe & it's Regions	patrymau sosio-economeg a'r amrywiaeth o ddiwylliannau sydd o fewn Ewrop; amgylchedd, hamdden, thwristiaeth, busnes a pholisi cymdeithasol. physical, historical, cultural resources of Europe; socio-economic patters and cultural diversity; environmental issues	20
ACR/ASR-1003*	Daearyddiaeth dynol Human geography	Themau a materion amgylcheddol cyfoes mewn cydestun byd, rhanbarthol a lleol, holistig, traws-cwricelaidd Contemporary environmental themes and issues; complex and conflicting inter-relationship between human interests and nature, set in a world, regional and local context, inter-disciplinary, holistic approach.	20
ACR/ASR-1005*	Cyflwyniad I Ewrop Introduction to Europe	patrymau sosio-economeg a'r amrywiaeth o ddiwylliannau sydd o fewn Ewrop; amgylchedd, hamdden, thwristiaeth, busnes a pholisi cymdeithasol. socio-economic patterns and cultural diversity within Europe; environmental, historical, cultural characteristics	10
ACR/ASR-1011*	Cyflwyniad I Hamdden a thwristiaeth Introduction to leisure&tourism	hamdden fel phenomena gymdeithasol.; datblygiad hamdden gynnaladwy; leisure as a social phenomena; sustainable tourism development	20
ACR/ASR-1010*	Bioddaearyddiaeth Biogeography	ddatblygu dealltwriaeth o egwyddorion a phrosesau ecolegol mewn ecosystemau penodol sensitive, dynamic and interrelated nature of natural environments and ecosystems; global ecosystem.	10

Gwyddorau Cymdeithas Social Sciences

Modiwl Module	Teitl Title	Geiriau Allweddol Key words	Credydau Credits
SXS-1014	Understanding Society	key theories and concepts of sociology with particular focus on questions of social change and social diversity; structure and agency and different ways of 'knowing' and theorising in sociology.; construction of social identities with a focus on gender, class and 'race'; the process of globalisation and its impact on social, economic and cultural life in contemporary society.	20

Diwinyddiaeth ac Astudiaethau Crefyddol Theology and Religious Studies

Modiwl Module	Teitl Title	Geiriau Allweddol Key words	Credydau Credits
TXR-1030	Themes in eastern religions	Introduction to eastern religions; impact of eastern thought on the west, Common Indian origins of Hinduism, Buddhism and Sikhism.	10
TXD-1011	Understanding Contemporary Islam	consideration of the origins, growth and development of Islam to the present day. The central focus of the module will be placed on an exploration of contemporary Islamic beliefs and practices and a study of how they are interpreted and expressed by the major religious groups in Islam. A discussion of the relationship between Islam and the contemporary world	10

ADDYSG a DYSGU GYDOL OES EDUCATION and LIFELONG LEARNING

Addysg Education

Modiwl Module	Teitl Title	Geiriau Allweddol Key words	Credydau Credits
XAE-1006	The Child's World, The World of school	Key issues in children's rights	10
XAC-1006*	Byd Plentyn, Byd Ysgol	Materion allweddol parthed hawliau plant	10

Hyfforddiant ac Addysg Gychwynnol Athrawon

Mae Addysg ar gyfer Datblygiad Cynaliadwy a Dinasyddiaeth Fyd-Eang wedi'i sefydlu ar draws yr holl gyrsiau ar gyfer Hyfforddiant ac Addysg Gychwynnol Athrawon, yn cynnwys y BA (Addysg) gyda SAC, BSc Dylunio a Thechnoleg gyda SAC, a chysiau TAR.

Initial Teacher Education and Training

Education for Sustainable Development and Global Citizenship is embedded across all courses for Initial Teacher Education and Training, including the BA (Education) with QTS, BSc Design and Technology with QTS, and PGCE courses.

Dysgu Gydol Oes		Lifelong Learning	
Modiwl Module	Teitl Title	Geiriau Allweddol Key words	Credydau Credits
YCE -	Global Citizenship	Living with the big picture. exploring major, current, global issues, natural resource depletion, loss of biodiversity, poverty, globalisation, global conflict and terrorism, climate change and sustainable development, perceived responsibilities and rights, relevance of issues at personal, community, country and global level.	20
YCE-1103:	The Information Society	Information Society; sociological writings and opinions; economic, social and political impact on society. Internet delivery via Blackboard	10
YSE-1004	Identities: introduction to the social sciences	Political identity, national identity, 'clash of civilisations', globalisation	20
20YHE-1651	War Society and the Media	The nature and impact of warfare in the 29 th century, focus on Europe and USA. Topics: destructive impact of world war, popular involvement, localized conflicts since the 1940s	20

ASTUDIAETHAU IECHYD HEALTH STUDIES

Nyrsio Cyn-gofrestru		Pre-registration Nursing	
Modiwl Module	Teitl Title	Geiriau Allweddol Key words	Credydau Credits
NCF-1012	Aspects of Health - Vulnerable	Discuss how personal values, culture, social and structural context influence health. Available only on Nursing courses.	40

BLWYDDYN 2 YEAR 2

GWYDDONIAETH A PHEIRIANNEG SCIENCE AND ENGINEERING

Gwyddorau Biolegol Biological Sciences			
Modiwl Module	Teitl Title	Geiriau Allweddol Key words	Credydau Credits
BSP-2052	Ecology and Evolution	nature of the forces acting on populations; changes in gene and genotype frequency	10
BSX-2004	Zoology Field/Study Skills	introduces a variety of transferable and subject-specific skills that are important in the practice of marine zoology Tutorials enhance the student's ability to write in an acceptable scientific style and to explore in an interactive way, with colleagues and members of staff, various aspects of biology, including moral and ethical issues.	20
BSX-2003	Maine Zoology Field/Study Skills	introduces a variety of transferable and subject-specific skills that are important in the practice of marine zoology Tutorials enhance the student's ability to write in an acceptable scientific style and to explore in an interactive way, with colleagues and members of staff, various aspects of biology, including moral and ethical issues.	20
BSX-2001	Biology Field/Study Skills	introduces a variety of transferable and subject-specific skills that are important in the practice of biology; Tutorials enhance the student's ability to write in an acceptable scientific style and to explore in an interactive way, with colleagues and members of staff, various aspects of biology, including moral and ethical issues.	20
BSS-2003	Biomedical / Molecular Skills	skills; integrative knowledge of biomedical science; commercial / research applications of biomedical science and molecular biology; moral and ethical issues associated with recent developments in human medicine.	20
BSL-2018	Molecular Biology in Ecology	molecular biology; its essential impact across a range of biological disciplines including estimation of population structure and gene-flow and evolutionary biology; To illustrate how its application can impact on society.	10
BSL-2016:	Applied Molecular Biology	techniques and theory of molecular biology; scientific investigation of human health and disease; how its application can impact on society; moral and ethical dilemmas	10
BSL-2011	Evolutionary Ecology	biology of populations from an evolutionary point of view	10
BSP-2053	Environmenta l Ecology	large-scale ecological experiments, industrial ecology, Impact assessment	10
BSL-2012	Ecosystems & the Biosphere	ecosystems, human activity, polluted environments; global, & ecosystem levels and links between, conservation, biosphere, self-regulation; interdisciplinary nature of science;	10

Cemeg Chemistry			
Modiwl Module	Teitl Title	Geiriau Allweddol Key words	Credydau Credits
FXX-2566	Chemical Processes in Environment	designed for students who are non chemists; essential aspects of inorganic, organic and physical chemistry that are relevant to environmental science.	10

Gwyddorau Eigion Ocean Sciences			
Modiwl Module	Teitl Title	Geiriau Allweddol Key words	Credydau Credits
OXB-2012	Marine Ecology & Biodiversity	concepts of community organisation and biodiversity.	10
OXB-2011	Marine Food Webs	food webs in the marine environment; multi-disciplinary and inter-disciplinary perspectives	10
OXB-2014	Fish and Fisheries	The wider ecosystem effects of fish harvesting; The responses of fish populations to different levels and regimes of harvesting	10

Seicoleg Psychology			
Modiwl Module	Teitl Title	Geiriau Allweddol Key words	Credydau Credits
PSP-2001	Social & Developmental Psy	conditions under which we are most likely to conform with others, we then study helping behaviour and other prosocial responses.	10

Gwyddorau Chwaraeon, Iechyd ac Ymarfer Sports, Health, Exercise Sciences			
Modiwl Module	Teitl Title	Geiriau Allweddol Key words	Credydau Credits
JXH-2006	Health Behaviours	socio-economic context of health	10
	Various other modules	Modules relating to health and exercise are all relevant	

Y CELFYDDYDAU A GWYDDORAU CYMDEITHAS ARTS AND SOCIAL SCIENCES

Bancio, Cyllid ac Economeg		Accounting, Banking and Finance	
Modiwl Module	Teitl Title	Geiriau Allweddol Key words	Credydau Credits
ASB-2409	Economic & financial Institutions	Terms of trade between countries.	10
ASB-2107:	Consumer Behaviour	consumer behaviour, different cultures; impact of the environment, & the influence of groups & opinion leaders in social persuasion	10
ASB-2303	Environmenta -l Economics	the cutting edge of research in economics that is relevant to policy debates of the day. E.g What is sustainable development; Why should the present generation concern itself with the sustainability of future generations?; environmental protection; Relationship between development, poverty, poverty alleviation.	10

Cyfathrebu a Chyfringau		Communications and Media
